

My name is Candace McGrath and I am the President of the LDCCW. I really love my church. Did you know that other than the usual Deanery Assemblies, there has never been a real Diocesan event at my church. We are always trying new things, and this is our time.

We have made many additions since I've been here. It's amazing how fast a decade goes by but that's how long it's been since we built the Cardinal Burke Annex on the school and the new elevator in the church.

In the La Crosse Diocese we participated in The Inspired by the Spirit campaign, we shut down the church and mass in the school gym.

When we came back the pews had been taken out and refurnished with new kneelers, the walls had been repainted, the Stations of the Cross had been washed to look brand new, and the entire floor, including the pelicans, are all brand new. It is a historic change!

### **What Have You Noticed?**

Are a few of the ladies doing most of the work? Let them lead by example.

Are the older ladies retiring and the younger women not stepping up? Sometimes they just need a personal invitation, and a baby-sitter.

Since COVID, fewer people attend church. Yet some churches, with younger families, have blossomed. What is their secret? Obviously, they still believe church is an essential business.

### **Be Part of the Awe and Majesty**

Embrace this time of having your faith grow and let your heart and soul come closer to Jesus and Mary. Invite the ladies who are already Council Members carpool with them. I've been to some fabulous Deanery events who have no Deanery officers.

This is our time, ladies. If we do no more than take role at meetings, we shouldn't expect much more.

### **Basic Schedule**

- 9:30 am Registration  
Light Morning Snack
- 10 am Leadership Training Begins
- Noon Delicious Catered Lunch
- 4 pm Conclude LTD – Stations of the Cross, Check out Brand New Communion Rail
